Dear Resident

The Department of Planning, Transport and Infrastructure (DPTI) is improving safety and efficiency for heavy vehicles, motorists and agricultural vehicles on the Upper Yorke Peninsula.

As part of the Upper Yorke Peninsula Regional Road Network Upgrade Program, a roundabout will be constructed at the Copper Coast Highway junction with the Yorke Highway, locally known as Federation Corner.

This roundabout will help to facilitate traffic flows and ease congestion during busy long weekend and summer holiday periods, while also improving safety at the junction year round.

Works are scheduled to commence **9 October 2017**, and are expected to be completed by **January 2018**, weather permitting. These works will occur between the hours of 7am to 5pm Monday to Friday, and 7am to 2pm Saturday.

The road will remain open to traffic, with a 25km/h speed restriction in place while workers are on site. Other speed restrictions may apply subject to on site conditions.

DPTI will make every effort to minimise impacts and will ensure that access to properties is maintained throughout the work.

A location plan is attached for your information.

Should you require further information about the Upper Yorke Peninsula Regional Road Network Upgrade Program, you can visit the project website at www.infrastructure.sa.gov.au/upperyorke

If you have any further enquiries, please telephone 1300 482 841 or email dpti.communityrelations@sa.gov.au

DPTI appreciates your patience and cooperation whilst these important safety works are undertaken.

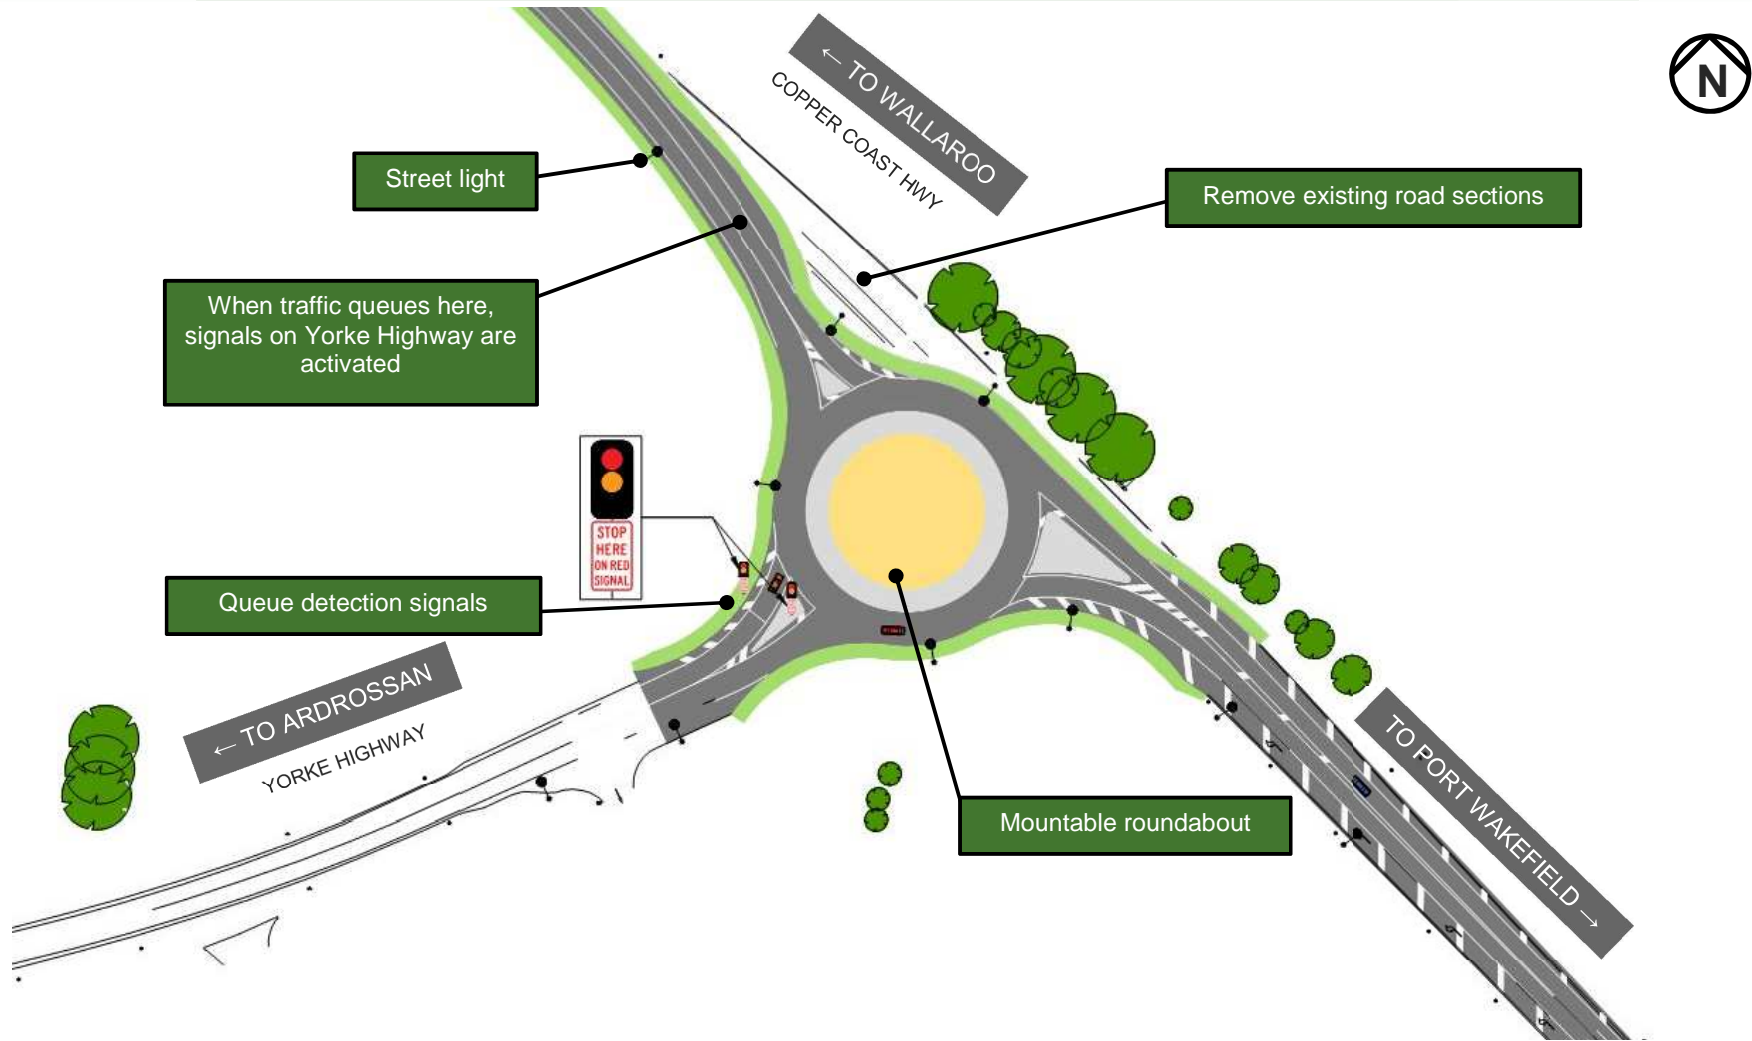

Yours sincerely
Upper Yorke Peninsula Regional Road Network Upgrade Project Team
