

North-South Corridor

Northern Connector Project

Port River Expressway cycle path detour

As a part of the Northern Connector Project, the Department of Planning, Transport and Infrastructure advises that a cycle path detour will be in place on the Port River Expressway, for the eastbound route only between Hanson Road and the Rosberg Road cycle path from early May 2017, for approximately six months.

The detour will enable cyclists to continue to travel between these locations during the construction of the Southern Interchange.

Advanced notice and directional signage will be put in place to direct cyclists along the detour. Please refer to the attached map to plan your journey.

Thank you for your patience whilst these important works are undertaken.

To assist with planning your cycle journey visit <http://maps.sa.gov.au/cycleinstead/>
