

North-South Corridor

Northern Connector Project

September 2017

Port River Expressway cycle path detour

Opening - 12 noon Saturday 2 September 2017

As a part of the Northern Connector Project, The Department of Planning, Transport and Infrastructure (DPTI) advises that the new cycle path detours will be in place on the Port River Expressway for the eastbound and westbound routes, between Hanson Road and Globe Derby Drive, from 12 noon Saturday 2 September 2017.

This will replace the existing eastbound detour and will enable cyclists to continue to travel safely between these locations during the construction of the new bridge connecting the South Road Superway and the Northern Connector, as part of the Southern Interchange.

Advanced notice and directional signage will be in place to direct cyclists along the detour. Please refer to the attached map to plan your journey.

Thank you for your patience whilst these important works are undertaken.
